Subject: USG-Redwing Schedule

Good morning Cory,

In follow-up to our Monday meeting, please find attached a detailed schedule with narrative describing each step of the modeling and analysis process. I have also provided a Word version of the narrative for MPCA to provide any comments in "track changes" mode.

The USG team is available today at 1:30 PM to discuss this detailed schedule. Let me know if that could work on your end. Thanks.

Regards,
Greg
